The "Green Seal'd" Home

Cottage, Bungalow, and great mansion—all alike need Hanna's Green Seal Paint occasionally. A home may be ever so costly, and of pleasing architecture, but it must be kept cleanly painted at all times to really be considered attractive.

Using Hanna's Green Seal Paint is not so much an expense as an investment. It pays back a good deal more than it costs—in protecting property, in beautifying it, and in its satisfactory service.

For Weak Women

In use for over 40 years! Thousands of voluntary letters from women, telling of the good Cardui has done them. This is the best proof of the value of Cardui. It proves that Cardui is a good medicine for women.

There are no harmful or habit-forming drugs in Cardui. It is composed only of mild, medicinal ingredients, with no bad after-effects.

TAKE CARDUI

The Woman's Tonic

You can rely on Cardui. Surely it will do for you what it has done for so many thousands of other women! It should help.

"I was taken sick, seemed to be . . . writes Mrs. Mary E. Veste, of Madison Heights, Va. 'I got down so weak, could hardly walk . . . just staggered around. . . I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down. I had no appetite, and I commenced eating. It is the best tonic I ever saw.' Try Cardui.

THE DOUBLE EFFECT OF ECONOMY.

When an American citizen, instead of spending \$100 for something he wants, denies himself and lends the money to the Government he performs a double service.

First, he furnishes the Government with \$100 to use in the prosecution of the war.

Second, he has relieved to the extent of \$100 the drain on our "goods and services"; that is, material and labor. To make the article or articles he would have bought, or to manufacture others to take their place in the market, would require material and labor. In addition, to get the article to him labor and freight space would be required. By doing without the article, he has left free a certain amount of material to be used for war purposes, a certain amount of labor to be used in the same way, and he has also relieved to a certain extent the transportation facilities to the country.

This may not be much in the individual case, but when hundreds of thousands and millions of Americans pursue this course it means millions and millions of

LEND—NOT—SPEND—YOUR MONEY.

If you lend your money to the Government, you may be quite sure that it is going to be used for some national purpose—to prosecute the war successfully, to equip, arm, and support our soldiers in France, to be used by our Navy in ridding the seas of the murderous U boats.

But if you spend your money even with the belief that by putting it into the channels of trade others into whose hands it comes will lend it to the Government, you will have done something the patriotism of which may be very questionable.

First, you have withdrawn from the supply of material of the Nation something to replace which in the market will require labor and material which should be devoted to war purposes.

Second, the person to whom you pay your money may also use it to purchase things requiring material and labor which should be devoted to war purposes. And the person to whom he pays it may repeat the operation.

But when you lend your money to the Government instead of spending it, you will at once lessen the drain to a certain extent on our country's resources, its material, its labor, and its transportation facilities, and in addition you supply your Government with money to be used in winning the war.

Every purchase of a Liberty Loan Bond is an individual act toward bringing victory to America and her allies.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
